EXPRESSIONS OF INTEREST

FOR PRIVATE SECTOR COMPANIES & NGOs TO HOST INTERNS (AT NO COST) UNDER AN EMPLOYMENT INTERNSHIP PROGRAMME

The Jamaica Social Investment Fund (JSIF) was established in 1996 as a component of the Government of Jamaica's strategy to reduce poverty. The Fund promotes, appraises, finances and supervises social and economic infrastructure projects, including but not limited to schools, roads, agro-processing, water sanitation, health centres, community centres, scholarship programmes, internships, and capacity building training.

This exercise seeks to identify and create a short list of entities willing to facilitate interns for temporary employment within their organizations under the JSIF's Employment Internship Programmes which will be implemented in 2017/2018. The Programmes will be coordinated by an external consultant and/or JSIF, and will target persons from the communities tabled below:

- Company profile and status
- Information on the job type/tasks for which interns are required within the organization

Please note that only organizations with offices in the parishes listed above will be considered.
